Letter no M3-C315/40-41, d/20 2 42

Requests sanction to a Govt grant of Rs 1150/- being the estimated cost of installing an electric clock at the Amir Ahmad Circle at Shimoga out of T I grants for the current year in pursuance of the orders of the then Hon'ble Member Council that one clock may be installed for the present in each of the Dist Head Quarters towns, the cost being met out of the T I Grants

In a similar case, the Chitaldrug town Ml council has met half the estimated cost of installing an electric clock at the place and in the case of Chickmagalur it was ordered that the proposal may have to be dropped if the Ml Council were not prepared to meet at least a moiety of the initial cost and the recurring maintenance charges

There is no reason why the Mly should be shown a differential treatment the proposal may perhaps be dropped if the Ml Cl is not willing to meet the quota of the cost & the maintenance charges If agreed, a draft to the D.C Shimoga Dt will be put up accordingly
